

Genius

Anti-Military Interventionism
Individual Rights
No Compulsory Government
**Free Trade, Free Speech,
and Freedom of Association**

Bright

Less Military Spending
Reduce Regulations
Limited Government
Honest Money
Less Government Welfare

Normal

**My tribe likes party X and
hates the stupid people in
party Y, who want to violate
human rights and destroy our
great country.**

Stupid

**I voted, for political masters
to rule me and my neighbors!
My party will solve the
problems facing us. This time
it's different!**

Moron

What about the Epstein files?
**Ritual child molestation in
Pizza Huts!**
**Witches in the daycare centers
buggering your kids!**
